

# November 1 - 5, 2021

## Charleston Conference™

ISSUES IN BOOK AND SERIAL ACQUISITION

## How to Access the Full Schedule

### Desktop/Laptop

Visit <https://2021charlestonconference.pathable.co/> and log in for full attendee access to sessions, meetings, chat, and more. Invitations with a unique link will be sent by email to all registered attendees, or you can email [info@charlestonlibraryconference.com](mailto:info@charlestonlibraryconference.com) if you didn't receive the invitation in your inbox or spam folder. **Please make sure you have the latest version of Zoom downloaded and installed.**

### Mobile App

We have a native app for both the Apple App Store and Google Play. Search for “**Charleston Conference 2021**” and download the free app. Use the same link from your email to log in, or your username and password.

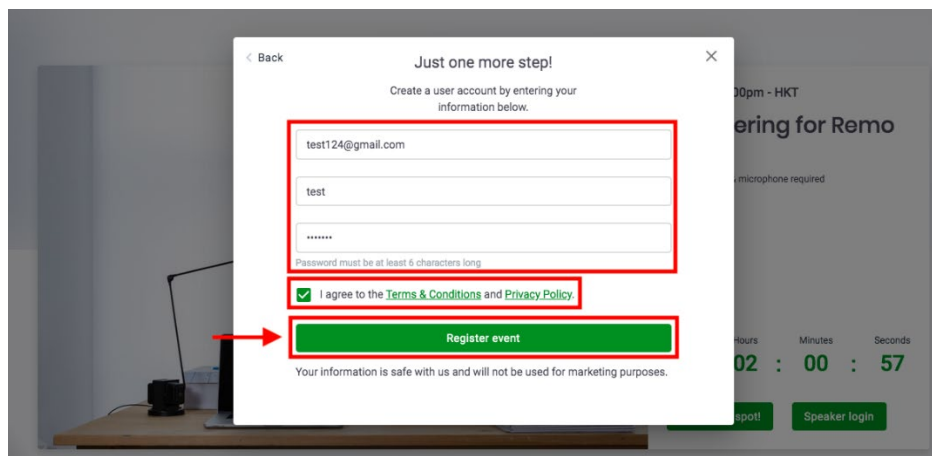

### Pathable Attendee User Guide:

<https://bit.ly/pathable-guide>

### Remo Networking:

We have several networking events planned using the Remo platform. These will be identified in the agenda and will feature an external link away from Pathable into Remo. Two easy steps to join:

1. Click “**Save Me a Spot!**” to register for the networking event.
2. If you've attended an event in Remo before, you'll be prompted to log in using your email and password. If you're new to Remo, you'll need to create a free account. You can then click “**Join Event Now!**” on the event page and enter the networking room.

## SESSION FORMATS

**Plenary Sessions** – General sessions of a broad interest for the entire group of conference attendees.

**Neapolitan Sessions** – Designed to be of interest to a broad audience but drilling down a bit more into specifics than the plenary sessions, these are “mini plenaries” that are run simultaneously in three large ballrooms. Since there are three sessions/flavors at a time, we went with a classic tri-flavored ice cream theme!

**Lively Discussions** – These talks are scheduled during the lunchtime hours and are intended to include a brief presentation or statement of the speakers’ point of view followed by vigorous and lively discussion and Q&A from the audience. Food is not provided (unless specified in a sponsored event), but attendees are welcome to bring a bag lunch. There are several sponsored lunches held in nearby restaurants. Sponsored lunches will be identified as such in the program, and registration is required through the RSVP link provided in the session description.

**Concurrent Sessions** – The workhorse of the conference is a standard 40-minute session from a single speaker or group of speakers in a traditional presentation style.

**Stopwatch Sessions** – Moderated by a timekeeper and presented in only 6 minutes and 40 seconds each, these succinct, “Pecha Kucha-like” sessions are scheduled during a concurrent session timeslot with 5 presentations back-to-back. Time is provided at the end of the session for Q&A with all five presenters.

**Innovation Lightning Rounds** – These 60-minute sessions focus on innovative or entrepreneurial thinking in libraries – new ways to solve problems, new technology or existing tech utilized in new ways, etc. They will feature five 10-minute presentations back-to-back, with a moderator for introductions, Q&A, and time keeping.

**Virtual Poster Sessions** – The poster format will be totally virtual, with poster PDFs and pre-recorded video presentations will be available for viewing throughout the conference event, and a live Q&A session will also be available for presenters to participate in if desired.

## TOPICAL THREADS

Our concurrent sessions, lively discussions, and poster sessions are organized into the following topical threads:

- Analysis and Analytics
- Collections
- Library Services
- Management
- Scholarly Communications
- Technology and Trends
- Up & Coming (Info for those new to the profession)

The agenda can be sorted by track on Pathable, and sessions are identified by a color-coded bar at the top of the session detail tile.

# 2021 Charleston Conference Program At A Glance

MONDAY, NOVEMBER 1, 2021: NETWORKING AND VIRTUAL VENDOR SHOWCASE EVENTS		
Day/Time	Event	Location
9:00 - 9:30 AM	Event Orientation	VIRTUAL: On Pathable
